If you need to cancel or modify your booking, you must submit your request online via the "Manage Bookings" page. The "Manage Bookings" page can be accessed by (1) visiting https://pe.tours/manage (2) clicking the "Manage Bookings" link at the top right of the page on projectexpedition.com or (3) if you have a registered Project Expedition account, going to "My Account", locating your booking under the "Bookings" tab and then selecting "Manage Reservation". Modifications will be subject to availability and the approval of the tour operator. If you experience an issue with a tour or transfer, you must report it to Project Expedition no later than 14 days after the date of your reservation. All reports must be on time, in writing, and emailed to support@projectexpedition.com to be considered for a refund, should you be eligible for a refund as per our Terms and Conditions.
Shore Excursions Policies
This booking includes the following benefit(s), which supplement the terms above:
Cruise Friendly Refund Policy (included on all Shore Excursions)
You are eligible for a full refund if: your ship arrives late and you miss the excursion; your ship changes its arrival date and rescheduling isn't possible; your ship skips the port of call; your cruise is canceled by the cruise line; or you cancel before the Cancellation Deadline on your Booking Voucher. Submit claims in writing to support@projectexpedition.com within 14 days of the scheduled excursion date, with your booking reference. We verify the ship's actual itinerary before processing; approved refunds follow Section 10 (Refunds).
Back to Ship Guarantee
If you can't rejoin your ship before it departs, we'll assist you in reaching the next port of call and reimburse eligible expenses, provided all of these conditions are met: the Booking includes the Back to Ship Guarantee; the Booking is scheduled to end at least 2 hours before your ship's "all aboard"/departure time (whichever is earlier); you didn't deviate from the booked itinerary; the delay in returning to ship was not caused by any fault, action, or inaction on your part; and

you notified Project Expedition as soon as reasonably possible. It's your responsibility to confirm departure/all-aboard times before booking and re-confirm the itinerary on the day.

If all conditions are met, we provide two benefits: (a) reimbursement of reasonable travel and meal costs to reach the next port (original itemized receipts required; each expense must relate directly to your transit). Not reimbursable: business/first/premium-cabin airfare or private/chartered transport where a reasonable standard option existed, and any costs beyond what's reasonably necessary. Contact us before incurring significant air or lodging costs where possible. (b) a courtesy payment for the inconvenience of USD $1,250 per person, up to a maximum of USD $10,000 per Booking (divided equally among all persons if the cap would otherwise be exceeded). This payment is separate and not conditioned on your expense amounts.

Where a booking was made through a travel advisor, we honor that relationship and will either coordinate arrangements directly or defer to the advisor. To claim, contact support@projectexpedition.com in writing within 14 days of the scheduled excursion date with your booking reference and all supporting receipts. This Guarantee is not insurance; it is a limited benefit subject to the conditions and limits above, and we recommend maintaining comprehensive travel insurance.
