If you can't find the driver:

- The driver will be waiting for you with a sign **Kristi McFarland** [3]
- The driver will meet you in the arrivals area.
- Make sure that your phone is turned on, charged, and available for calls.
- Connect to Wi-Fi at the airport to make sure that the driver can call you or send you a message.
- Contact the driver immediately after your arrival by SMS or WhatsApp/Viber and confirm the meeting place.
- If you are not able to contact the driver and he/she is not at the meeting place, call the support center.

Please note

1. Wait time starts to count down based on the arrival time of flight BA632. If the flight is canceled, notify our support team immediately.
2. The free waiting period is 60 minutes. After this time, the driver may request payment for additional time or cancel the order without a refund.
3. The text on the sign will match the text indicated on the voucher unless it is prohibited by the rules of the meeting place. The carrier will inform you if the text on the sign will be different.
4. Contact Customer Support to change the number of passengers in the order.

Conditions of cancellation and changing the order

You can make changes or cancel your order free of charge through October 29, 2026 at 12:15 PM based on the time at your travel destination.

Contact Customer Support to make changes.

We do not charge for making changes, but if you are changing your route, changing the vehicle class, or making other significant changes, these things may cause the price to change.

RateHawk is not responsible for the quality of the transfer services provided and is also not responsible for the passenger being late due to the passenger's own fault. If you have any problems with the transfer, please contact our support team.
