Passports are required for international travel and for all air departures to or from the United States. Passports must be valid for six months after the completion of travel and contain enough blank pages for entry and exit endorsements and any required visas. Names on passports and the booking must match. If minors are traveling with only one adult 21 years of age or older, Princess requires that all passengers travelling in the party must present a valid passport at embarkation. Princess collects deposits and assesses cancellation fees on 3rd and 4th berth passengers. Princess Vacation Protection becomes effective upon payment of plan cost. Visit www.princess.com/pvp for details. Review the Final Payment Notice for any changes prior to making final payment. Due to operational guidelines from the US Centers for Disease Control, Princess may be required to change the location of your stateroom. In the event your stateroom is moved, you will receive a Cabin Change Notice. Stateroom locations are based on availability. See brochure for other Terms and conditions, including cancellation policy.

Access Manage Booking at Princess.com for full details, to provide the required information and to print your luggage tags and Travel Summary.
